THIRD EDITION

JACOB R. BENDER

Tavistock, Ontario, Canada

JACOB R. BENDER

Jacob R. Bender, compiler of the data in this, the third volume of the Bender Register, dedicated to the memory of our paternal grandparents and now, by us that survive, also to the memory of his life of service as a faithful servant of God in his capacity as a preacher of the Gospel, and as compiler of this book, was one who loved his fellow men. His whole life attested this fact.

Brother Bender, called to the ministry on October 21st, 1914, served his Lord and Saviour actively and faithfully wherever the opportunity, till called home to his eternal reward, peacefully in his sleep on April 23rd, 1947, in his seventy-second year.

Brother Bender completed the volume and arranged for the printing in January, 1947, but did not live to see the book in print. His life, nevertheless, was a full one, as a staunch supporter of prayer meeting and with all the different activities of his beloved church, in expounding the Gospel of our Lord and Saviour, in Winter and Summer Bible School work, as teacher for many years, and at the time of his passing was President of the Bible School Board of the Ontario A.M. Conference.

During World War 1, 1914-1918 he was a member of the Non-Resistant Relief Organization and during World War 2, 1939-1945 he was on the Military Problems Committee of the Historic Peace Churches.

Well versed in Church History and an outstanding Bible scholar, he was untiring in his efforts for the welfare of the Faith as delivered to the Saints. During his life he met and made many friends, who, we are satisfied, will agree with us when we say we believe his Lord will say "Well done, thou good and faithful servant."

## PREFACE

In presenting this volume of the Jacob and Magdalena (Brenneman) Bender Family Genealogy we refer back to the 1st and 2nd editions for the beginning of their history, but neither one, the first in German published in 1897 by Jacob and David Bender, sons of the above named, nor the second published in 1925 by David M. Bender, Tavistock, Ontario and Noah R. Bender of Goshen, Indiana, give the birth dates of our ancestors, nor the date of their marriage.

Our record goes back to the year 1831, when our ancestors immigrated out of Hessen, Germany to North America with a family of five children namely John, Christian, Mary, Samuel and Jacob, landing in Lancaster County, Pennsylvania, where a son David was born in 1832. Leaving Lancaster County in 1832 they arrived in Waterloo County, Ontario, Canada.

They settled on a 200 acre farm adjoining the village of New Hamburg, which farm was in the family possession for almost one hundred years, at present being owned by Nelson Luckhart.

Clearing this farm and putting on the buildings was a very large work, as the land was heavy timber. A sample of this is shown in the little incident in which John Bender the eldest son after having taken the farm, built a bank barn in 1860, destroyed by fire in 1893. One of the sills over the stable was the entire length of 85 feet and all in one piece. This caused much heavy work. Truly the Word of the Lord came true here. "In the sweat of thy face thou shall eat bread." Market for this timber was none and they simply cleared the land and burned the heavy timber to make a living. They never dreamed of conveniences their descendants are enjoying to-day in travel and in home life. What a contrast to-day.

We cannot pass this account on without paying great tribute to our paternal great grandmother. As our records shew, our great grandfather must have passed away around 1843 as a comparatively young man. He died in Preston with heart trouble and the mother, with faith in a living God in a strange country where neighbours were not as close as to-day, brought up her family in the fear of the Lord and in the Church of her faith. Her children will rise up and call her blessed. Prov. 31:28. Truly her labors in the Lord were blessed and her prayers answered.

Much could be written on this. Their descendants are becoming quite numerous and in this volume are around 2500 names. The descendants numbered to 1934 souls to which some have been added whose number is the same as the parent with an (a) and those who have married into the family are not numbered, they are living in four provinces of Canada and in 19 states of the union of United States of America. Truly some wanderlust.

This record shows the names of 30 brethren in the ministry of the Word of God, as Bishops, ministers and deacons, of which a list is given in the index. We do not make a claim of perfectness in presenting this volume. There are some omissions in dates as to birth and marriage and church affiliation. We can only give them as the response was. The author has had the happy privilege of working on this for over a year, from Sept. 1945 to Dec. 1946 and now this is what we present unto you. We have known and met personally by far the greatest number of those whose names appear in this volume.

Their family Bible which they brought along from Germany with a family record, was donated by Noah J. Bender, Tavistock, Ont. to the library at Goshen College, Indiana, some years ago. The author in Feb. 1946 while in Goshen, Ind. failed to locate said Bible much to my sorrow Bro. Harold Bender of Goshen and ourselves were disappointed. If there are any mistakes or any omissions, we knowingly did not omit what was given, as we have gone over the lists on different occasions. We ask your forbearance.

## INTRODUCTION

In presenting this volume, we hope our readers will find as much satisfaction in scanning its pages as the author did in compiling the records. We make no claim to perfection, also found the words of the Apostle Paul true when he spoke of endless genealogies.

We pray to our heavenly Father that all names recorded here may be found in the Lamb's Book of Life, by the Everlasting Grace, Mercy and Love of God our Father and the Lord Jesus Christ.

May this volume be received in the Spirit of Love as it is given.

Dedicated to the memory of our Paternal Grandparents. We humbly submit it to our readers.

the first time. I am very sorry to have to say that I have not been able to get any information from the State Department, or from any other source, concerning the fate of the missing men. I have, however, been able to learn from reliable sources that the Japanese have captured many American sailors and marines, and that they are being held in various parts of the Far East. It is my opinion that the missing men are still alive, and that they are being held by the Japanese. I hope that you will do all that you can to help us to find them.
